Chief Adamson's Comments:

➤ **Operations & Training:** Call volume was 23% higher this July than last July. Calls w/o reports included business security checks (170), traffic stops (110), and follow-up investigations (46). Drug offenses saw a moderate increase this month with 11 incidents. Other services provided w/o reports include EMS calls, animal complaints, lock-outs, traffic complaints, suspicious person/vehicle complaints, open doors, welfare checks, and other low volume calls.

➤ **Staffing & Overtime:** August 11th marks the PD being at it's authorized staffing level. This enables us to flex the overlap officer to cover vacant primary shifts when employees take vacation, holiday, floating holiday, sick time, or comp time (aka Administrative OT). We do not fill vacant overlap officer shifts except on Fridays and Saturdays when call volume and nature make it an operational and safety necessity. Overtime continues to be significantly lower than previous years. We had 58.25 hours of operational OT and 94.5 hours of administrative OT.
