While the library proper will be closed to the public on Wednesday, March 18th, we will offer curbside pickup for those still wishing to obtain library materials. We highly recommend only placing holds on items currently available at our library. It's likely our system-wide delivery service will go down.

1. Place the item(s) you want on hold in the library catalog or call the library to place your hold for you at 920 485-3535.
2. You will receive an email, text or telephone call from us when your item(s) are available for pickup.
3. Park on the east side of Elm St. near the entrance from 11 AM - 6 PM, Monday - Friday, and call 920 485-3535 to let us know you're here.
4. Library staff will check out your item(s) to your library card and bring them out to you. Please be prepared to show your library card and photo ID.

*These are challenging times and a new service. We ask for your patience and understanding while we work out the kinks. Thanks, Alex
